

LICENSE AGREEMENT

MP3 Lease - SAMPLE / NOT A PURCHASED LICENSE

1. PARTIES AND LICENSE GRANT

Temciuc Catalin, professionally known as Tensso (the "Producer"), grants the Licensee a non-exclusive license to use the Beat identified in this agreement to create and commercially exploit one new song or recording (the "New Song") subject to the limits below. The Producer retains the right to license the Beat to other customers.

2. AUDIO FILES INCLUDED

Files included with this license: MP3. The supplied files may be used only to create and exploit the New Song under this agreement.

3. ONE-SONG RULE

This license covers one (1) New Song created from the Beat. Clean, explicit, radio, instrumental, acapella, and reasonable edit versions of that same New Song are permitted and do not count as separate songs.

4. USAGE LIMITS

Distribution copies: 100. Monetized online audio streams: 10,000. Music videos: 0. Live performances: Unlimited non-profit live performances only. Commercial release is permitted only within these usage limits.

5. OWNERSHIP AND COMPOSITION

The Producer retains ownership of the Beat and the underlying musical composition except for the composition interest granted to other writers in the New Song. Temciuc Catalin (Tensso) retains fifty percent (50%) of the copyright and publishing interest in the musical composition embodied in the New Song, unless all applicable writers and producers later agree to a different split in a signed writing. The Licensee owns their original lyrics, vocals, and other original contributions and may own the New Song master subject to this license.

6. MASTER ROYALTY

No producer master royalty is due under this non-exclusive license. The Licensee may own and monetize the New Song master subject to this Beat license and the Producer's retained composition rights.

7. PRODUCER CREDIT

The Licensee must credit the producer as "Produced by Tensso" wherever producer credits are customarily shown and, where detailed metadata is supported, identify the producer as "Temciuc Catalin (Tensso)".

LICENSE AGREEMENT

MP3 Lease - SAMPLE / NOT A PURCHASED LICENSE

8. SYNCHRONIZATION

No paid film, television, advertising, game, or brand synchronization without separate written permission.

9. CONTENT ID AND AUTOMATED CLAIMS

The Licensee may not register the Beat, the isolated instrumental, or any substantially unmodified version of the Beat in Content ID, fingerprinting, rights-management, or similar automated claiming systems. Registration of the New Song requires prior written approval from Temciuc Catalin (Tensso).

10. RESTRICTIONS AND TRANSFER

The Beat, stems, project files, and supplied audio files may not be resold, redistributed, shared, uploaded as a beat/instrumental, placed in sample packs, or otherwise made available as standalone files. This license is personal to the Licensee and may not be transferred, assigned, sold, or sublicensed without prior written permission from Temciuc Catalin (Tensso), except that the completed New Song may be distributed and commercially exploited as expressly permitted below. The Beat may not be used in unlawful, defamatory, or infringing material.

11. THIRD-PARTY MATERIAL

The Licensee may not add uncleared third-party samples or other material to the New Song. If TENSSO BEATS has expressly disclosed any third-party material contained in the Beat, the parties must follow the applicable third-party terms and obtain any clearance required for the intended exploitation.

12. TERM AND TERRITORY

Territory: Worldwide. Term: Perpetual for the New Song while the Licensee remains in compliance with this agreement. A material breach can result in suspension or termination of rights, subject to the website Terms and applicable law.

13. PREVIEW AND WEBSITE TERMS

This is a sample agreement for review only. It does not grant a license or confirm a purchase. The transaction-specific agreement and TENSSO BEATS Terms accepted at checkout govern the completed purchase.

14. PURCHASE DETAILS

Beat: [Beat title]. Licensee: [Buyer name and email]. The final agreement records the selected beat, buyer, license fee, order, license ID and issue date after confirmed payment.
